You can see a list of supported browsers in our Help Center. Help Center If you've played clumsy Ninja, you'd know it's about turning your virtual character into a ninja master. Win ninja belts, learn special moves; All goals to level up. In the end everything pretty rolls up how to earn more XP and level up your ninja. Of course, I'd like to learn more about how to do that, so we've compiled a bunch of neat tricks that would help you in this regard: Go for as many balloons as possible If you want to go for the easiest and fastest way to win XP, you go with balloons. For example, a green balloon will earn you XP 1,100 and it will cost you only 50 coins to get 10 of these balloons. The blue balloon is a little more expensive, but by no means less worthy. So, buy as many as you can and pop them. In fact, for all the items available to you to be wise and choose the best option from those available to you. Follow the mastery of one element of training Well, when you hit the workout it would be natural to complete and head to the next one because once you do it's done with a training element it doesn't generate more revenue. On the other hand, if you are looking for XP, we suggest you continue to train on the same object repeatedly, as it will continue to give you the same XP number every time you do so. Better the training element, more the XP than networks. Do not leave any type of stock Do not limit to win XP of a specific set of actions. There's the head knock, tickle the ninja, throwing it around and what not. Do all the fun stuff Now when you're in for XP, you should catch everything that comes with experience. Throw balls at the ninja or throw it in a basketball hoop. All these things come with a good XP point pack, and the latter adds to your ninja's belt knowledge as well. Play regularly, preferably once an hour Obviously, you have the game on your phone, and you always have the phone on you. So it will help you XP points and leveling if you play the game regularly. Start with the easiest training options and climb to the highest. Missions aren't all bad for the Clumsy Ninja When done with everything else in your mind, why not ask your sense for missions? Go to the dojo and tap the workbook icon in the bottom left corner. While yields aren't very impressive, they're still something compared to nothing. Read in the following section on frequent problems in the game and an easy solution to fix the same. Clumsy Ninja Mod APK – Why is it required? The most common problem you are likely to face while playing Clumsy Ninja is the waiting time for the training team to be repaired or updated (trambed, punching bag, etc.), and is unbearably long. It takes 40 minutes to repair a tram linen, and in that time, you could make a pizza by yourself. Another thing is that the game constantly hits you to buy gems by revealing that you need to train with an item while you're on a mission. Sometimes these items are not even on the same level as you, and to get quite annoying. The game is certainly designed to appeal to the purchase of gems. On this, the timeout for updates is ridiculously long. Wouldn't it be better if the updates completed before, and only if there was an alternative way to get the gems because we love this game? With Clumsy Ninja Mod APK, you will receive all unlocked items and resources in the game. Do you want to know more exciting features of the mod? Read in the next section. FeaturesGems are the secondary currency in the game, after coins. You can barely win jewelry in the game, you will get a gem every time you level up, but rarely from a training training session You're lucky. Despite a limited generation of gems, its use remains extensive throughout. Gems can be used to buy new training equipment, repair equipment, drive progress. The best way to purchase gems is by downloading Clumsy Ninja Mod APK, where you'll get unlimited gems for free. CoinsCoins is the main currency in the game, it can be used to pay for animals, training equipment, special events, and other things that appear in the store.
